Co-Ops Rally

Saturday was pay day with all dark tobacco Co-ops and the town was full of our best farmers. About $200,000 in cash was paid the members on the 1923 crop representing 80 per cent of the fixed price of that crop for the two markets of Appomattox and Pamplin.

At 11 a.m in the auditorium here was filled to hear the address of Director Wingfield and local friends of the Co-ops. A. H. Clement presided over the meeting: Senator Ferguson and Col. Flood made splendid speeches and Mr. Wingfield made one of the best speeches we have heard on the subject. The meeting was enthusiastic and the Association and its officers were unanimously endorsed. Mr. Clement urged the people to join the farmers Co-operative Marketing Association and bring their tobacco to Appomattox, as here the spirit of co-operation is strong.

The theme of Mr. Wingfield's address was that the Association has standardized the tobacco prices, established orderly marketing and confidence of the business world.

The market opens here next Tuesday the 18th; no more members can join after that date for the remaining three years of the contract. A drive will be made for new members between now and that time and the Chamber of Commerce of Appomattox will meet with all farmers here that night at the auditorium, when the warm hand of co-operation will be extended and at which time the Locals for this place will be organized. Farmers are urged to attend this meeting and organize a big local and get some fresh news and inspiration. Bring some neighbor, who has not joined yet and let him hear the truth.

Town On Record .

At a meeting of the Chamber of Commerce of Appomatox Tuesday evening the following resolution was unanimously adopted:

Resolved, That this organization by vote is unanimously in favor of the Co-operative marketing of tobacco and pledge the Association our support in its efforts to organize the farmers of Appomatox.

2nd That we want it understood that this town is a Co-Op town in sympathy, action and spirit.

Appox. Chamber

The town of Appomatox organized at the auditorium a Chamber of Commerce Tuesday evening by electing Prof. L. Crawley President and J. A. Burke Secty-Treas. It was an enthusiastic meeting and many important questions for the good of the town are to be sponsored by this organizat on. If you have not joined, see the secretary and give him your name. The town must go and all of its citizens are vitally interested.

City Gets Refund Taxes

Acting under a recent act of the General Assembly providing for rebates for deed taxes erroneously paid in Richmond courts, the city has recovered about $500, and the same has been turned into the city's treasury. The money which came through the Auditor of Public Accounts, included $402.16 from the Chancery Court; $17.66 from the Hustings Court, Part II, and $6.84 from the Circuit Court of Henrico county.

VERA

These lovely autumn days and glorious moonlight nights are having their effect on the romantically inclined. A party of young people from Oakville and vicinity took advantage of the fast waning "open-season", by indulging in an alfresco party on the banks of Bent Creek, at "Jones Bridge". Friday night built a bonfire, played games, sang and had a good time generally—as only the young can have. Those composing the party were: Misses Fannie and Eliza Haskins, Alice Carson, Mabel Adams, Christine and Cansey Martin, Mary Coleman, Carolina Wise, and Bettie Colema; James W. Childers, Hunter Paris, Blackwell Martin, Lester Carson, Alton Nowlin, Bertie Nowlin and Charlie Nowlin. "Eats" were in evidence and formed one of the most important features of the evening. All report a wonderful time and are looking forward to a repetition of the gala event in the near future.

"Turkey season" opens Saturday the 15th, we know the woods will be full of gunners so watch out!

Bernard Childers is sporting a new roadster.

Scarlet fever is said to be prevalent in the county.

We are sorry to learn that Mrs. Walker Carnefix does not improve.

Mr. and Mrs. J. S. Kinney had three very sick children one day last week. The Dr. said it was from something they had eaten. They are all about well now.

Mr. and Mrs. Charles Garrett of Lynchburg, visited the former's parents, Mr. and Mrs. Jeu. Garrett, Sunday. Mrs. Garre t accompanied them home for a few days.

Lewis Hatcher, who has been farming with his brothers, Leighton and Lawrence, has decided to give up farming and has retu ned to Lynchburg.

The good people of Vera have been following the admonition of the Bible. A widow in the neighborhood whose husband died suddenly—leaving her with several small children and an unharvested tobacco crop — These neighbors in the truest sense of the word,got together, cut and cured her to bacco and are now stripping it for her. "Inasmuch as you did it unto one of the least of these, my brethren, ye did it unto me".

Rev. and Mrs. Lavender and family of Appomattox, and Mrs. Lavender's mother, Mrs. Nash, of Roanoke, attended an old-fashioned husking-bee in the neighborhood last Tuesday.

A. Nutticombe is planting a hedge around his attractive home.

The following is from the "Golden Age" and is so true, we feel like passing it on: "The place to take the true measure of man is not the forum or the field, not the market-place or the amen corner; but at his own fireside. There he lays aside the mask; and you may judge whether he is imp or angel, king or cur, herd or humbug. I care not what the world says of him, whether it crowns him with bays or pelts him with bad eggs; I care never a copper what his reputation or religion may be; if his babes dread his homecoming, and his better-half swallows her heart every time she has to ask him for a $5 bill, he's a fraud of the first water even though he prays night and morn till he's black in the face and howls hallelujah till he shakes the eternal hills. But if his children rush to the front gate to greet him, and love's own sunshine illumines the face of his wife when she hears his foot fall, you may take it for granted he is pure gold; for his home is a heaven. And the humbug never gets that near the throne of God".

LaFollette had polled 534 in the same districts.

Jesse H. Metcalf, Republican Senatorial candidate for the unexpired term of the late United States Senator LeBaron B. Colt and for the regular term to follow, was leading Governor William S. Flynn, Democratic candidate, by 9,446 for the regular term and by about the same figure for the short term. Edward M. Sullivan, Independent Democratic candidate, has polled less than 150 in the same districts.

For Governor, former Gov. Aram J. Pothier, Republican, was leading Lieut.-Gov. Felix A. Toupin by 7,803 votes, with 34 districts heard from.

Wilmington, Del.—President Coolidge had a big lead in Delaware over his two opponents in late returns.

Coolidge, 4,624; Davis, 2,097; LaFollette, 548.

In the same districts T. Coleman du Pont, Republican, led James M. Tunnell, his Democratic opponent for United States Senator, by more than 3,300 votes, while Robert P. Robinson, Republican candidate for Governor, had a two-to-one vote over Joseph Buccroft, Democrat.

Memphis—Returns gave John W. Davis, Democratic Presidential candidate, 44,447 votes; President Coolidge 31,394 and Senator LaFollette 1,558.

Returns were from 75 of the 95 counties in the State.

In the Senatorial contest Gen. L. D. Tyson, Democrat, had a total of 37,118 votes and H. B. Lindsay, Republican, 35,240.

Harvey Hanna, Democratic incumbent, was leading W. T. Testerman, his Republican opponent in the contest for Railway Commissioner, by a ratio of approximately two to one. Hanna had 28,820 and Testerman 14,886.

Indianapolis.—On the face of the returns from scattered precincts throughout the State of Indiana, but from enough sources to tell the trend, President Coolidge has carried the State by a plurality which will range from 100,000 to 160,000.

LaFollette is running exceptionally weak, and probably will not get 5 per cent. of the total vote, which will run close to 1,550,000.

Jackson, Republican, for Governor, is not running as strong as Coolidge.

Supervisors

At a meeting of the Supervisors held yesterday it was decided among other things that

The appropriation of $1250 for demonstration work be continued and that W. H. Byrne be reappointed to that position.

That the road leading from Depot to C. H. be changed and curves be made through section lot and that the county pay to Robert Irby and L. E. Smith damages of $1500 and that the State pay them $500.

The town was represented before the Board opposing the change which would diminish the value of the railroad crossing by diverting the travel therefrom and said citizens contend that the road should come straight to and connect with said crossing. We indulge the hope that the Board will not consummate this change from the old road, which will make our last estate much worse than at present, besides inflicting injury and great damage to all property-owners, who now use said crossing.
